### **Dear Parents, Whānau and Caregivers**

This week our whole school participated in our annual Art Festival. Art week always gives our pupils time to step outside the routine and celebrate the importance of The Arts.

During our week children will have had the opportunity to study a range of artists, styles, and genres. Teachers would have been encouraging our pupils to build on their prior learning, what they already know and further develop their visual literacy.

Our teachers would have encouraged pupils to think critically about images by asking questions, and giving them opportunities to talk about art. For example, "I like the way the artist has ..." or "In this artwork I can see ...". The highly valued goal of being able to think critically, which involves being able to understand complex ideas, evaluate evidence, weigh alternative perspectives and construct justifiable arguments can be achieved through art.

Celebrating The Arts also enables us to acknowledge and admire the cultural diversity of artists, their individuality and their interpretation of the world around them.

We also recognise that a child's picture is their own. It has worth in its own right (I would say priceless), without having to be measured or judged by others as right or wrong.

We hope that you all will join us for our Art Opening Evening on Tuesday 25<sup>th</sup> September to celebrate the Art

We also hope in the future that our pupils come to recognise that art is made by all sorts of people, in a variety of ways, and understand that art represents these artists interpretations.

## Building Update

**Relocatables by Room 30:** We have been told by the builder that they expect to have the stairs and paths finished by the end of this term ready for occupation next term. The builder noted that they have experienced incredibly wet ground conditions and this has caused a number of delays.

**Playground:** This week Liz and I met with the project manager to identify a proposed playground layout to replace the Year 3,4,5,6 playground outside Room 29, 30. We hope this will be installed by the end of the year.

**New School Buildings:** We are currently in discussion with the project team about the remodel of Block 11 (Rooms 20,21,22) and whether it is possible for the school to add additional area to the remodel.

**Landscaping:** We have also had a discussion with a landscape architect and the design team to ensure that we have an outdoor environment that can be used as another classroom. We want to maximise the indoor outdoor flow and ensure that there are spaces for learning and presenting work near the classrooms.

**Gymnasium:** The BoT are waiting for Frank Cleary from Babbage Architects to complete an independent review of the Gymnasium. Frank is looking at all aspects of the design to ensure it is fit for purpose and cost effective.

**Contract Signing:** The BoT have applied for permission from the MoE to be allowed to contribute school funds to the gymnasium.

The BoT have also obtained independent legal advice to ensure that the Board and the school have sufficient contractual protection during the build. We hope to sign this agreement in the next week

**Designs:** The project team are furiously preparing detailed drawings for the tender process. We believe the team at RTA have been involved in some long days completing these. Tender documents are expected to be ready by the due date.

We do acknowledge that the build process has been incredibly long and laborious, but we are sure that once we finish the build we will have facilities for our pupils and staff that are second to none.

## Education Outside the Classroom

Outdoor education is an important part of the curriculum at Balmoral School. "Experiences outside the classroom reinforce learning by enabling students to make connections between what they have learnt in the classroom and the world beyond the classroom. EOTC experiences also give students opportunities to demonstrate the key competencies identified in *The New Zealand Curriculum*; particularly managing self, relating to others, and participating and contributing." ERO

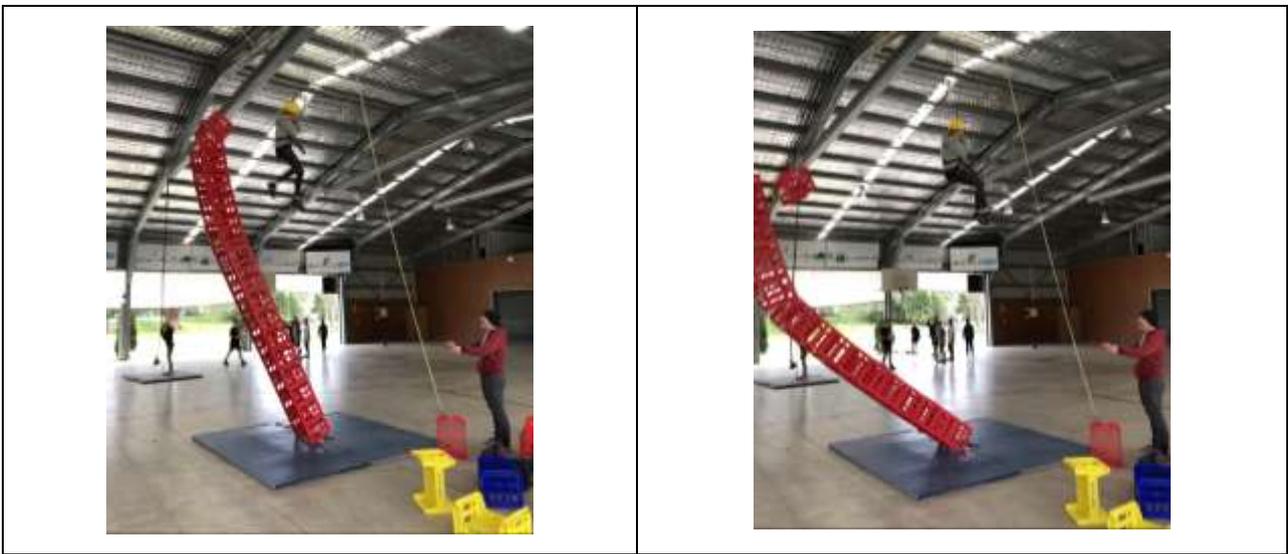

## Camps

Last week I had the pleasure of visiting the Year 8 Camp at Finlay Park at Lake Karapiro. These types of events are very important for our pupils as it is where they often learn those life skills of relating to others and being outside of their comfort zone that are so very important for later life.

We couldn't offer these school events without the enormous support from the parents who attended. Many of them used up their annual leave to support other children in our community.

I would also like to acknowledge the enormous work done by teachers to enable children to go to camp. Many lists are written, budgets set and reviewed, staff visits to the venue in their holidays, hours spent on producing health and safety forms and the one eye open sleeping at camp. They do not do this for the \$25 per night allowance but for the sheer joy of seeing the success and sense of achievement in our pupils.

## AIMS Games

Next week we have 40 children from the intermediate and a number of staff away at the AIMS Games in Tauranga. We wish them all the best for the week and look forward to hearing their stories on their return.

Thanks also to the school community who supported their fundraising efforts by purchasing things such as pizza lunches and vegetable bags.

## Pinnacles Tramp

Each year we try to offer our Year 7 students an additional optional opportunity to tramp to Pinnacles Hut in the Coromandel. This tramp happens because our staff are prepared to walk the children into this hut. It is a wonderful adventure and we are fortunate to be able to offer it to our pupils.

## Email Communication

Email has allowed us to communicate more efficiently and effectively within our Balmoral School environment and as a community.

To ensure all parties (staff, students, parents and the wider community) find that email continues to be effective we have developed school guidelines around its use. Please find below the guidelines that are relevant to parents.

Thank you for joining staff in following these guidelines.

Teachers will reply to an email within two working days, as during the day they are expected to be working with children. Please do not expect an immediate response from them or email them in an afternoon about change of plans for after school.

### Email Etiquette

1. Try to decide if you are sending this email for the purposes of information giving, or some other reason: organisation of events, meetings and information giving are the best use of email as a form of communication.
2. Keep the email brief, and include a clear subject line as a header so people can identify swiftly if it is relevant to them.
3. Make sure that it is clear in your email what the purpose of the email is do you require specific action, or is the email for information only?
4. Avoid using email for complaining or venting this is not an appropriate use of the medium.

5. Do not use email as an excuse to avoid personal contact. A simple 'rule of thumb' is to ask yourself if you would say what you have written to the person's face.

### **Parents to Staff email** (Contact your child's teacher if you wish to talk about their learning)

1. If you have any concerns about your child you need to contact your child's classroom teacher to make a time to meet to discuss your concerns. This can be done via email.
2. Please inform your child's teacher of your concerns before the meeting so they can prepare.
3. If your concerns can be addressed via a conversation on the phone please inform your child's teacher and this will be arranged.
4. Please do not expect a reply from a teacher immediately as our expectation is that they will be working with children during the school day.
5. Teachers will reply to emails within two working days.

## **Balmoral Drum Lessons**

We are very excited to have Alistair Deverick starting this term as our new drum teacher. Alistair has a glowing musical career so far and also a ton of teaching experience too.

Some highlights are:

- Drummer for Tim Finn, Neil Finn, Anika Moa and Lawrence Arabia (amongst many more)
- Producer and Songwriter for electro-pop group Boycrush
- Itinerant Drum Teacher at Avondale College, Green Bay High School, Sacred Heart College, Pakuranga College, James Cook High School, Epsom Girls Grammar School and Aorere College
- Graduated from Auckland University with a BMus (Jazz)

Here's a video of Alistair playing with one of NZ's favourite son's, Neil Finn, joined by Pearl Jam's frontman, Eddie Vedder!! [https://www.youtube.com/watch?v=f\\_hX5jNzd\\_Y](https://www.youtube.com/watch?v=f_hX5jNzd_Y)

If interested in lessons for your child please contact Alistair directly on [alistairdeverick@gmail.com](mailto:alistairdeverick@gmail.com)

## **Staffing At Balmoral**

With the current crisis of staffing in our schools we are seeing a teacher workforce that is very mobile. Teachers are leaving their place of employment to work closer to home so as not to spend time in traffic. Recently we have lost some staff for this very reason.

The Teachers Union the NZEI are still in mediation with the Ministry of Education. The Teachers' Collective Agreement expired on 8 June some 12 weeks ago and the Principals' Collective expired on 16 May which is over 15 weeks ago. There is some frustration amongst our staff that this issue is taking so long to resolve.

On Wednesday the NZEI released a survey from 700 principals who shared the staffing situation in their schools.

Findings include:

- 30% of principals had no suitable applicants for a vacancy this term
- 90% struggle to find relievers
- 52% do not have all the teaching staff they need this term, and the problem is much worse for low decile schools (62.5% in deciles 1-3, compared to 39% in deciles 8-10).

We hope that both parties can come to a solution soon without further disruption to our academic year.

## Intermediate News

### **Mālō e lelei,**

This week has been a very eventful one for us here at Balmoral. Among many things going on, we have been celebrating Tongan Language Week, Uike Kātoanga'i 'o e Lea Faka-Tonga.

Lots of our children have been practising how to say a number of phrases including hello and goodbye. You can see some examples of this on our Pasifika blog.

<http://balmoralpasifika.blogspot.com/>

Thank you to Joanna for all her work leading up to this. We are always looking for parents to add their voices to our Pasifika Parents Group. If you are interested, please email Joanna at [joannas@balmoral.school.nz](mailto:joannas@balmoral.school.nz) or Trish at [trish@balmoral.school.nz](mailto:trish@balmoral.school.nz) to find out about upcoming meetings.

This week was also the first time that our two Intermediate bands, Ruru and Kaiawa have performed for the school. They were fantastic! Well done to them, and to all the Balmoral's Got Talent performers who sang, danced, and played instruments in front of a very large and enthusiastic audience. It is always a wonderful way to spend one of the afternoons of our Arts Festival, watching our talented students share the results of all their hard work with us.

### APPA Central Zone Speech Finals

On Thursday 30th of August, I went to the Central Zone Intermediate Speech Finals. Leading up to it I was really nervous. I kept picturing myself forgetting all the words or just not being able to speak. But, it wasn't that bad. Everyone else was as scared as I was, and all of the people from other schools were really friendly. I realised I had made it all up in my head. No one was going to throw rotten bananas at me. I got up, said my speech (over the loud air conditioning I might add), sat down again, and left. Then we were on to another day!

## Waterpolo Tournament Success

Congratulations to the Balmoral Blue Waterpolo Team who won 4 out of 5 pool games in the Tim Sonderer Tournament a couple of weekends ago and came 4<sup>th</sup> out of 12 overall, a great effort. Well done to the team and coach Jared Hemara.

## Last chance to get your tickets!

Everything is ready and set to go! Lights, Music, Game time.

A lot of work goes into a fundraiser like this to raise money for our school and to bring our school community together for a night out.

**WE HAVE A FEW MORE TICKETS LEFT AND WOULD LOVE YOUR SUPPORT!**

Even if gambling isn't your thing this will still be a super fun night out and we'd love to see more of you there.

Tickets can be purchased from Eventfinda:

## Come along to a PTA meeting!

The PTA meets the second Tuesday of every month. The next meeting is **Tuesday 11 September** at **7.30pm** in the school library. Pop along and see what's happening within the school community, no commitment required.

**Everyone welcome!**

## Can you help out?

The PTA is looking for a couple of people to fill the roles below. Sing out if you are interested!

[pta@balmoral.school.nz](mailto:pta@balmoral.school.nz)

**Friends of the PTA:** We need someone to take over from the lovely Becs with managing the Friends of the PTA database. Basically keeping the database up to date, from time to time sending out emails as well as reviewing all material in the school's communications that go out to new families coming to the school.

**New Parents Contact Point:** for new families moving in to the area. Someone to touch base with new families that move in to the school zone - i.e. not necessarily new entrant parents or new year 7 parents but rather people that have moved to the country or city or suburb after living somewhere else. Someone with local knowledge to catch up for a coffee and offer advice on local supermarkets, doctors, things to do with the kids etc.

**Enrol in Term 4 Performing Arts Programmes @ [tapac.org.nz](http://tapac.org.nz)**

TAPAC's popular performing arts holiday programmes are taking enrolments for October now!

- Acting programmes include: a Film & TV Audition workshop; a Comedy & Improvisation workshop; Spring into Action Creative Performance; and Hit the Stage! 5-day creative escape.
- Due to popular demand we are running two 5-day filmmaking programmes (for ages 11-13 & 13-16).
- Our ever-popular hip hop dance programmes return (for ages 5-7 and 8-11).
- Plus, students can bring out their inner Broadway stars with our Showtime Musical Theatre programme!

All of TAPAC's programmes are taught by practicing industry professionals. No experience is required and there's something to suit all abilities and ages from 5-16 years. Full week, two and three day programmes are available.

There are easy transport links to TAPAC's purpose-built facility in Western Springs; there's plenty of free parking for drop-off and pick-up; and we've even got a café so parents can grab a coffee on the way to work!
