

Balmoral School – Beep is here!

Download the Beep App now

Beep's mobile app delivers communications via text, data and email, ensuring that all your important messages get through.

- Receive alerts for emergencies, closures and cancellations
- Receive school newsletters and notices
- Send in absence notifications
- See your schools important contact details
- Access multiple schools, early childhood centres and organisations all from the one Beep app

The Beep app is free and the push notifications to your phone will use only a tiny amount of your mobile data, or you can use your home Wi-Fi network.

To download the FREE app:

1. Go to Google Play (Android)

2. Enable push notifications in your settings:

Settings > Notifications > Select Beep > Allow Notifications

You don't have a Smartphone?

The School-links software recognises those caregivers who have not downloaded Beep and will send emails or SMS text messages instead of the Beep notifications.

We will continue to send all emergency alerts and absence notifications via email and text message, as well as Beep, to ensure that we get critical messages through to you.
