RAISING FUNDS FOR OUR LIBRARY

# BARS FOR BOOKS

A huge thank you to all our school community for supporting our Bars for Books fundraiser. We distributed a record number of boxes of chocolates – over 800 – and we hope that results in a record fundraising total.

Luckily, it looks like most families completed their selling before the lockdown, as our fundraiser was due to end on Friday 20 August. However, we understand there may be some who were hoping to use the last three days of the fundraiser to sell their last few bars.

We understand the stresses that lockdown brings many families (hello homeschooling!) and we do not wish to add any pressure to an already tricky time. However, if you have sold all your chocolate, we would be grateful if you could take a few moments to transfer the money (\$60 per box) to the PTA account via internet banking.

PTA bank account **06 0145 0226748 00**

Particulars: Chocolate | Code: (student name) | Ref: (room number)

If you still have a few more bars to sell – or you have collected cash – make sure you keep a note of it so you can return it once we're back at school.

The prize draws, including for the primary and intermediate students who have sold the most boxes (and returned the money) will take place once we are back at school.

Thanks again for all your amazing hard work.

*Primary Movie Night on 31 August is postponed. Once we have guidance on Alert Level changes, we will advise a new date for this event.*

*If you have bought a ticket, we will transfer this to the new date once finalised.*

*If you would prefer a refund please email [deb.tonyc@gmail.com](mailto:deb.tonyc@gmail.com) with your bank details.*

## Stay Safe, Stay Well

The PTA are all parents – many of us working – and we understand the very real challenges and stresses of lockdown.
